THE SCROLL Fall/Winter 2018

THE SCROLL

THE TRADITIONAL ARCHERS OF OREGON - SPRING NEWSLETTER

President's Message

Well, another season of hunting and going to shoots has come and gone. I hope all of your expectations were exceeded in both endeavors. As I sit here in writing this in early December, cabin fever has not yet set in, but it will…soon. If you need to get out of the house this winter, come join us at the TAO Annual Banquet on February 2nd in Albany. We have lined up some great guest speakers, vendors and a raffle during dinner with a grand prize of a 10-day hunt in Africa!

We have been working hard behind the scenes to try to bring you more things to you at the banquet and beyond. TAO is planning on launching its new website at the banquet, so make sure you are there for the unveiling. If you are on the email list, you will also receive an email notification once the site is ready to go.

Once the banquet is behind us, I am planning on working on a new member drive in 2019. I know there are many, many people out there that would enjoy the benefits of being a TAO member, but just haven't pulled the trigger (since this is an archery group, I guess I should say, "released the string"). I don't have many details to share yet, but look to spread the word on the membership drive in early 2019.

Finally, as we look ahead to next season's archery activities, my focus will be on TAO's annual Pope Young shoot in Brownsville. We have a great venue that is centrally located with consistently beautiful weather. There is no reason why we can't double the participation in the event. We have a few plans in the works, but If you have any ideas on how we could increase attendance to this great event, please feel free to contact me at riley@archerypast.com or (503) 913-1340.

I look forward to seeing you all at the banquet in February.

President, Riley Savage
